## WATCH YOUR HEAD!

When going "below decks" you will encounter dozens of watertight doors, low "overheads" (ceilings), and steep "ladders" (stairs). You constantly have to be aware of "knee knockers" (6" to 20" door thresholds) and if you are taller than 5'10", watch your head!

## NO SMOKING

Smoking is not allowed inside the ship, only in designated areas on the fantail, flight deck and dock.

## VALUABLES

Do not leave cameras, MP3 players, laptops, phones, bags, mice, headphones, etc. unattended.

## PROHIBITED AREAS

If a compartment doorway or ladder is chained off, has a warning sign prohibiting access, or is simply dark...do not enter.

## DO NOT TOUCH

The USS Hornet is a registered National Historic Landmark. Please treat it with respect and refrain from pushing buttons, flipping switches, moving levers, etc.

## DO NOT TAUNT SUPERNATURAL SPIRITS

This ship is haunted. You've been warned.

1. Find a bed in one of the designated areas.
2. Locate the Rack Tag, write your name on the top portion, and detach the bottom portion to stake your claim. Keep the bottom portion of the tag with you so you can locate your bed again. Please note some areas are Co-ed, Male or Female only.
3. Please keep all valuables with you or padlocked in one of the lockers provided.
4. Lights out at 23:00 each night, so if you plan to go to bed after, bring a flashlight.
5. Keep in mind about sleeping over on the ship is that there is very little privacy, be respectful.
6. Please do not bring food or beverages into the sleeping compartments, with the exception of water bottles.
